Ultrasound

Abdomen

For gallbladder, bile ducts, liver, spleen, pancreas, kidneys or aorta. Drink four (4) 8 oz. glasses of water. Nothing to eat or drink after Midnight the night before until completion of exam. If appointment is in the afternoon, clear fluids are allowed in the morning.

Pelvic / Obstetric Scan

Empty bladder then four (4) 8 oz. glasses of water or clear fluids. You are to have completed drinking one (1) hour prior to examination. Do not go the washroom as a full bladder is essential.

Abdomen and Pelvic Scan

Follow fasting preparation for abdomen and then drink four (4) 8 oz. glasses of water so that you have completed drinking one (1) hour prior to examination. Do not go the washroom as a full bladder is essential.

All other scans require no preparation.

You may be billed for appointments cancelled with less than 24 hours notice.
